## Kingsford Community School welcomes

*Head Teacher, Kisarika School, Moshe, Tanzania*

Mr Evarist Momburi,  
*Chair of Governors, Kisarika School*  
Mrs Marian Williamson &  
Mr Doug Williamson

**Delegation from Kisarika  
School, Tanzania.**

Monday 15th September saw the arrival of the Kisarika School Delegation from Tanzania. Mr Uforo Macha, Head Teacher of Kisarika School, Mr Evarist Momburi, the Chair of Governors, Mrs Marian Williamson and Mr Doug Williamson (with apologies from Mrs Judy Rimmer, for the Brampton Tanzania Trust) were treated to special performances by the Creative Arts team including African Drummers and Spoken Word performers. Despite being Mr Macha and Mr Momburi's second time in the UK, they were awe struck by our welcome and provided Kingsford students with first hand insight into the life of a Tanzanian school child and the obstacles they face on a daily basis.

An open invitation for regular communication between Kisarika School students and Kingsford students was wholly encouraged.
